This panel is automatically protected by the wall module (W-4SEC) to which it is connected.

Notes

None.

Instalation

Mounting on the W-4SEC control.

Connections

Cable with fixed connector on the W-4SEC.

Electrical characteristics

Power Supply: From W-4SEC

Cleaning the touch panel

To clean your touch panels, use a damp cloth with diluted soap or detergent.
The use of glass cleaner, alcohol or thinner when in contact with the back weakens the glue and may lead to the replacement of the keyboard with the exclusion of warranty.
